

## FY17-18 Veterans in the Arts Grant Application Instructions

---

The California Arts Council has a new grant application system, [calartscouncil.smartsimple.com](http://calartscouncil.smartsimple.com). All applications must be submitted in the system.

### Registration Information:

All users of the California Arts Council (CAC) online grant management system must first register for a user account at [calartscouncil.smartsimple.com](http://calartscouncil.smartsimple.com). Each account may be associated with only one email address.

Because the CAC only offers grants to organizations, users will associate their account with an organization through the registration process. The initial user to register an organization will become the Primary Contact for that organization. **Please choose the Primary Contact for your organization carefully. The Primary Contact is responsible for validating the Organizational Profile annually.**

Please have the following information and documentation prepared before registering your new user account:

- Federal EIN or legal Organization name
- Contact information including business address, mailing address (if different), email, and phone

If you are the Primary Contact for your Organization, you will need to complete the following fields in your Organization Profile before you apply for grants:
